This high-quality porcelain miniature is a unique piece of art. It takes a lot of experience, skill and attention to each tiny detail to produce this wonderful figure. Each miniature is entirely hand-painted by talented artists using a very thin brush with only a few hairs. Every piece is high-fired and subjected to rigorous quality control. This process guarantees the quality of the colors, the perfect shape, and the sharpness of every detail. Each figurine makes a perfect gift for your friends, family or yourself and a treasured and wonderful addition to any collection.

Our company, Little Critterz, located in San Diego, California, is the creator of both the original Northern Rose collection and the new Little Critterz collection of carded minis. Our miniatures are manufactured in Chiang Mai, Thailand popularly known as the "Rose of the North" and a major center for fine porcelain and quality handicrafts
